

# Care and Application

wenatex® Alpine Herb Regeneration Insert

Place the herb insert into the wenaCel® comfortPlus Mattress Cover

Care icons:

**In order to enjoy your Wenatex product for a long time, please observe the following care instructions:**

- To **take as much advantage of the herbs as possible** and to prevent habituation, **only use the insert for 3 weeks per quarter year**. For example:

Jan	Feb	Maz	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dez
<b>1. Quarter</b>			<b>2. Quarter</b>			<b>3. Quarter</b>			<b>4. Quarter</b>		
<b>1. to 21. January:</b> Herbal application – followed by a break			<b>1. to 21. April:</b> Herbal application – followed by a break			<b>1. to 21. July:</b> Herbal application – followed by a break			<b>1. to 21. October:</b> Herbal application – followed by a break		

- The wenatex® alpine herb regeneration insert must be aired regularly.** To do this, simply undo the zip of your wenaCel® comfortPlus Mattress Cover\* and remove the herbal insert.  
**Please make sure that the herbs do not get wet.**
- Attention: Please do not wash the wenatex® Alpine Herb Regeneration Insert!**
