

wenaCool® Mattress topper

High-tech fibres and the unique surface structure dissipate heat quickly and ensure a pleasant night without sweating or freezing. Due to the natural body movement during sleep, the pleasant sleeping climate is maintained throughout the night. wenaCool® is particularly suitable for people who quickly become too warm during sleep, or who simply enjoy cool sleep.

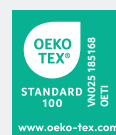

Characteristics:

- Cooling effect without freezing
- Easy to care for and hygienic
- Washable at 60 °C, **not dryer-proof**
- Easy to fix on your mattress
- Available in all regular sizes
- Custom sizes (and dimensions) upon request

Perfect:

- For the warm season
- For people who enjoy cool sleep
- For people who quickly become too warm during sleep
- For holidays and travel

Our Awards:

TEXTILE LABELLING: Top: 46 % polyethylene, 54 % polyester; Bottom: 100 % polyester
